**Please Note:**

School will be dismissed at 12:30 on the first Wednesday of each month (except January and May) for teacher workshops.
**SCHOOL DAY:** It is important that home and school cooperate in providing a safe journey to and from school each day. In order to provide adequate supervision, the school grounds are NOT OPEN TO ANY ELEMENTARY STUDENTS BEFORE 7:30 A.M. We ask that all parents and students cooperate in order to maintain a safe environment. The New Haven School District will not be responsible for supervising students before 7:30 a.m. Please review the schedule below with your children so that they are aware of the school day.

1. 7:30 – 7:40 Buses Arrive
2. 7:50 First Bell – Students Gather in Gym
3. 8:00 Tardy Bell - School Begins
4. 2:50 School Dismisses – Buses Load

**ATTENDANCE:** It is the belief of the New Haven School District that regular attendance is essential to achieving success in school. Education is a total process based upon continual communication and shared responsibilities among parents, students, teachers and school. As students mature and progress through the educational system, they should increasingly assume responsibility for regular attendance. However, parents have a legal and moral responsibility to require regular attendance at school.

There is a direct relationship between school attendance and grades, citizenship and success in school. It is vital that children attend school regularly. If it becomes necessary to keep a child out of school we ask that you contact the principal’s office by **10:00 a.m.** on the day of the absence. If contact is not made by the parent, the school will attempt to make contact. Students who return to school without the parent contacting the office or without a written note are considered UNEXCUSED.

Students who accumulate three unexcused absence offenses in a semester will be assigned an Eighth Hour to serve.

Students are allowed eight absences per semester. This total includes excused and unexcused absences. Excused absences are as follows:

- Personal illness of a student
- Death or serious illness in the family
- Religious holiday
- Approved and supervised school activities
- Medical and dental appointments when such appointments cannot be arranged for other than school time
- Unusual hardship situations approved by the principal’s office

If a student exceeds eight absences they will not receive credit for participation, classwork, or assignments due on each day absent thereafter. All assignments, tests, etc. will be recorded as a score of 0. The following absences only will be excused once a student exceeds eight in one semester:

1. Absence excused through a doctor’s office or a dentist’s office
2. Absences missed due to a death in the immediate family
3. Extenuating circumstances at the discretion of the building administrator

Students may be excused for family emergencies and vacations up to 5 school days per year if the following criterion is met:

- Parents should notify the school at least one week before any planned absence from school.
- All schoolwork is made up within the time limit prescribed by the teacher(s).
The days missed may not cause the student's total absences to exceed the district limit.

Students are required to be in attendance at least one-half day to be eligible to participate in or attend a school sponsored activity occurring that day or evening. Parents are required to contact the principal's office in advance of the event if the student must be absent. In the case of an unavoidable emergency, the principal reserves the option to declare the student eligible or ineligible to participate.

Students who are absent because of illness may not attend other school events the same day or evening.

Students are not permitted to leave the school grounds at any time during the school day without permission. Parents should notify the school by phone or by a note one day in advance if they intend to pick up their child or wish to have their child dismissed during the school day. Any time a student leaves the building during school hours because of an appointment, illness or any other emergency he/she should be signed out of the office before leaving.

Tardies: Any child arriving to school after 8:00 a.m. and before 8:30 a.m. is considered tardy, please stop by the office to sign a student in before they go to class. Habitual tardiness may require a conference with the principal to aid in possible steps to resolve the problem. Each time a student accumulates three tardies in a quarter an Eighth Hour will be assigned. Any student receiving an Eighth Hour due to excessive tardies will not eligible for Perfect Attendance.

ARRIVAL/DISMISSAL PLAN: The safety of our students arriving to and leaving school is a great concern for us as parents and educators. We continue to strive to avoid any situation that could possibly be a danger to our students. Please read the Dismissal Procedures carefully. Also, please be sure to fill out the Transportation Form, included in the Welcome Packet. This form details how students arrive and depart school each day. If you have any questions, please call the school.

Release of Students during the School Day:
To prevent the release of students to unauthorized persons the following guidelines must be followed:
1. Students will be released only through the school office. Persons other than parents/guardians or designees listed on the student's Emergency Contact list must have written permission to pick up a student. Students will not be released to minors, including siblings, unless prior arrangements have been made through the building principal.
2. Students who are under a court-awarded custody agreement will be released only to the parent/guardian who has proof of physical custody. To minimize the chance of disputes and to foster student safety, divorced/legally separated parents/guardians must provide to the principal written proof of custody (such as Custody Orders and/or Parenting Plans) that describes who has physical custody during and after school hours. Parents/guardians are required to keep the principal updated as to any changes relating to physical custody arrangements.

Morning Procedure to Follow:
1. The West Entrance (near the cafeteria) is used by buses only.
2. Parent traffic is limited to the front drive.
3. Parents should enter the school drive and proceed safely through the crosswalk, pull along the sidewalk to drop students in the morning. If parents are entering
the building with their children, please park along the sidewalk before the crosswalk.

**NOTE:** Parents are asked to use the school drive rather than Elton Avenue for student drop-off.

4. Students may arrive and enter the building at 7:30 a.m. daily and proceed to the gym for staff supervision or to the cafeteria for breakfast. **Students arriving prior to 7:30 will not be allowed in the building.**

5. Students arriving after 8:00 a.m. are tardy. Parents/guardians are required to sign the student in at the Elementary Office.

**Afternoon Procedure to follow:**

1. Students load buses through the West Entrance.
2. Parent traffic is limited to the front drive.
3. **If your child rides a bus home...** Teachers will walk students to their designated bus lines for loading.
4. **If your child walks home...** Staff will dismiss walkers after all buses have exited the driveway and passed the Elton Avenue drive.
4. **If your child gets picked up...** Parents or specified adults who pick up students may park on Elton Avenue or in the front drive along the sidewalk, enter the school through the main doors at 2:55 p.m. and wait in the entrance area. The teacher supervising pickups will then check students off the dismissal list.
5. **If your child needs to be dismissed in a way other than his/her normal daily dismissal procedure...** The student will be required to bring a note to his/her teacher or the parent may call the office by 2:00 p.m., stating the needed change for that day. If a note or telephone call has not been received by 2:00 p.m., the child will be dismissed following his/her normal routine. Calls after 2:00 p.m. create a rushed situation, and we want to be sure your child is delivered safely after school.

For the safety of your children, we do not encourage email communication for transportation changes.

It is our hope that working together, we can provide a safe and efficient way for our students’ arrival to and dismissal from school. Families, we thank you for your cooperation and understanding. Our top concern is our students’ safety.

**HOMEWORK:** Homework is a necessary part of each child’s educational program. Students will be expected to spend some time in addition to classroom instruction to achieve satisfactory work. The amount of homework will vary among grade levels and teachers. It is recommended that you set aside a specific time each evening for reading and the completion of homework assignments.

Parents may request homework for their children when they are absent. If requested, homework may be picked up from the homework bins in the school entry after 3:00 p.m. each day. Homework which is picked up is expected to be completed upon the student’s return to school. If homework is not requested and picked up, the work must be completed within a timeframe equal to the amount of time missed, except in the case of family vacations (See Attendance). Example: If a student misses one day, the student will have a full day to complete assignments. To clarify, if a student misses Monday and returns on Tuesday, work will be given to the student on Tuesday and assignments will be due on Wednesday. In the case of family vacations, parents must notify the office to receive approval for family vacations. Work missed during that time must be completed and returned to school with the student. Any homework
turned in beyond the accepted time will not be credited unless other arrangements have been made with the classroom teacher.

Students in grades 1-6 use planners as an organizational and informational tool. Planners inform parents of assignments and student responsibilities. They also serve as a method of communication. Students are expected to bring planners home each night and return them to school each day. Parents should review planners each night.

Late homework is defined as any assignment or partial assignment missing at the time due. Parents will be notified of late offenses in the student planner. When a student accumulates three late assignments in a quarter, the teacher will contact parents. Upon a fourth late assignment, the student will be assigned an Eighth Hour to serve. Alternatives to Eighth Hours may include an accumulation of time during lunch detentions, recesses, privileges such as celebrations and/or assemblies to equal an Eighth Hour.

**INSTRUCTIONAL MATERIALS:** Students will be held responsible for the proper care of all schoolbooks, supplies, apparatus and furniture supplied to them by the Board of Education. Any student who defaces or damages school property shall be required to pay for all damages. Any student who loses school property shall be required to pay for its replacement.

**COMMUNICATION:** Notes, newsletters, schoolwork, and other important papers are sent home regularly with students. Classroom teachers use weekly newsletters, school folders and student planners to inform you of current events in their classroom and our school. You should feel that you are being kept informed of your child’s progress and school events. Please contact your child’s teacher if you feel otherwise.

New Haven School District and New Haven Elementary School will use periodic email to inform and remind families of school events, activities and announcements. Please be sure your email address is on file in our school office.

Students will bring **Leadership Binders** home every Friday. These binders hold valuable information for you and your child. You can see students monitor progress for academic goals throughout the year, record their roles as leaders in our school, as well as noting accomplishments. Please follow their progress each week. Your signature is requested on a weekly basis (See AR).

Another communication tool is the New Haven School District **Parent Portal**. The **Parent Portal** is a web-based system that allows parents to access the latest information about their students’ attendance, lunch account, and grades.

Please note that keeping your information secure is a priority. Therefore, a unique User ID and Password is assigned for each of your student accounts.

To access the **Parent Portal**:
1. Use the link on our school website located at http://newhavenschools.org.
2. Type in the Location, your User ID, and your Password, then click Login.
3. Click the link for Parent Lumen Access.
4. The first time you log in, you must click on and accept the User Information Access Agreement. After doing so, you will have full access to your students’ information.
5. You may streamline your **Parent Portal** experience by clicking Add My Other Students (if any).
6. You may change your password by clicking EZ Start and going to the Personal Center.
If you need a new copy of your Parent Portal login information, please see the building secretary.

We hope you enjoy your Parent Portal experience. Please email parentportal@newhavenschools.us if you need assistance. Students new to the district must acquire username and password information before accessing the system.

**GRADES:** Report cards are sent home with students at the end of Quarter 2 and 3. First Quarter report cards are given directly to parents at conferences. Fourth quarter report cards are mailed.

Progress reports will be issued to students approximately four to five weeks into each quarter. The purpose of this is to inform parents of their child’s progress. Please contact your child’s teacher should you not receive information concerning your child’s progress. Parents may also access their children’s grades at any time through the district’s Parent Portal. Classroom grades can be checked at any time using Parent Portal. If you do not have portal information, please contact the school office. Parent Portal information is not sent home with students. A parent/guardian must obtain individual student information through the school office.

**Grading Scale (Grades 1 – 6)**
The New Haven Elementary School uses a four-quarter grading system. At the end of the first quarter, a parent/teacher conference is held to hand out report cards and to visit individually with each student’s parents regarding their progress. Report cards are completed and sent home with students at the conclusion of the second and third quarters. Fourth quarter report cards are mailed to parents unless an outstanding balance is owed. Letter grades are recorded in most subjects. Art, Music & P.E. receive S, NI, U for their classes in grades K-2. Grades 3-6 will receive letter grades. The grading scale which is used in grades K-2 is:  S = SATISFACTORY    U = UNSATISFACTORY    NI = NEEDS IMPROVEMENT

**Special Class Grades:** Students in grades 3-6 are given letter grades in Art, Music, and Physical Education classes. These grades must be above average in order for the student to maintain Honor Roll status. Grades are based on participation, attendance, and in-class assignments. Students will not receive credit in these classes on days determined unexcused absences.

Note: Participation in concerts is part of the Music class grade. A great amount of class time is dedicated to preparing for concerts, and the final performance is recognized as assessment of that work. Students who do not attend the concert will receive an alternate assignment in an effort to recover partial credit.

Students may enter the New Haven School District Band in sixth grade. Band is a year-long commitment.

**PARENT-TEACHER CONFERENCES:** Communication between parent and teacher is extremely important to the instructional program. Each teacher will conduct one conference with parents at the end of first quarter. Teachers are also available during their planning periods to discuss students’ needs and/or progress. Additional conferences can be scheduled
throughout the year. A convenient time to speak with your child’s teacher can be arranged by calling the office or sending a note.

**HONOR ROLL:** Success is the goal for all students in the New Haven School District. Special recognition is given to those students reaching above-average expectations. Honor Roll is an honor bestowed on students for high achievement in all academic areas. Students earning above-average grades will be listed on quarterly Honor Roll rosters. Requirements for Honor Roll are:

- **A Honor Roll**
  - “A” grades in all academic areas.
  - Above average grades in all special areas.

- **B Honor Roll**
  - “B” grades or above in all academic areas.
  - Above average grades in all special areas.

**SCHOOL OFFICE:** The school office is open from 7:30 a.m. to 3:45 p.m. The principal is Kasi Meyer, and the secretary is Becky Long. Our phone number is 237-2141. In order to ensure safety of our students, we ask that all visitors stop in the office, sign in, and receive an ID badge before visiting students or staff.

**SCHOOL MEALS:** Breakfast and lunch are served daily. Breakfast is $1.75. School lunch cost is $2.35 per day. Updates are sent home every Friday for students with negative account balances. Parents can ask for a balance inquiry at any time during the school year or access account balances through the Parent Portal on our school website. If your balance due reaches $10, your child will no longer be allowed to charge a school meal. At that point, they will receive only an alternate meal until the balance is paid. Children may bring their own lunch and buy extra milk (45 cents). Students should not bring soda to drink with their meal. The weekly menus are posted in our classrooms and on our school website, and sent home each month along with the monthly calendar of events.

Free and reduced lunches are available if your family qualifies. Reduced breakfast is $0.30, and reduced lunch is $0.40. Forms are sent home in the Welcome Packets during Open House or at the time of enrollment and are available in the school office at any time. Application and acceptance are confidential. Please complete an application even if you feel you may not qualify.

Always put lunch money (cash or check) in a sealed envelope with your child’s name and teacher’s name on it. Please send lunch money on the first day of the week, if possible.

The New Haven School District uses a biometrics system for charging student meals. This system has replaced the use of meal cards. Cards may be used with students whose guardians/parents do not wish for their children to use the biometrics system of charging. If a student is issued a lunch card, that child brings their card to the cafeteria each day at lunch. If the student loses or damages the card, a replacement fee of $5.00 will be charged to the student’s account.

**DRESS CODE:** Students shall wear clothing appropriate for the weather and activities of school. Clothing which is immodest or attracts undue attention to the wearer (such as spaghetti strap or halter tops) is not appropriate school attire. Any clothing with alcohol, drug or obscene slogans shall not be allowed. Clothing which displays overt or implied obscenities or suggestive innuendoes will not be permitted. Crocs, clogs (any shoe without a back strap) and flip-flops are not to be worn due to tripping hazards. Caps are not to be worn in the school building other than for special events.
Please be aware that recess is held outdoors year round as much as possible. If the wind chill is below 32 degrees, recess will be held indoors. Please dress children in comfortable clothing for outdoor play.

**VISITORS:** For the safety of our students, all visitors must enter through the main entrance and stop by the office for an identification badge. **DO NOT GO DIRECTLY TO YOUR CHILD’S CLASSROOM.** This can be disruptive to students and teachers. All visitors must sign in at the office before proceeding into the building. A pass will be provided for visitors who have official business at school.

**SCHOOL CLOSING:** If an unexpected closing of school is necessary due to weather or unforeseen problems, announcements will be made before 6:00 a.m. (if possible) on the following stations:

- **RADIO STATIONS:** KPLW-AM 1220, KLPW-FM 101.7, KSLQ-AM 1350, KSLQ-FM 104.5
- **TV STATIONS:** Channel 5, FOX 2, and Channel 4 KMOV-TV

Parents will also receive automated telephone calls from the district’s **SchoolMessenger** system. The New Haven School District uses the SchoolMessenger automated phone service. We are able to send pre-recorded messages to every household in a matter of minutes. We use this service to notify you of school cancellations, early closings, emergencies, and important announcements. We hope you find the service helpful, but please know that you may “opt out” of receiving such calls by calling our central office at 573-237-3231. SchoolMessenger will dial parent/guardian numbers listed on student enrollment forms.

**NEW HAVEN ELEMENTARY LIBRARY: READERS ARE LEADERS!** Our school library contains many books on a wide variety of subjects. It is our hope that students will develop a love for reading different kinds of books for pleasure as well as to help them with their school studies. Students are allowed to check out books on a weekly basis. Any books that are damaged or lost will need to be paid for by their parents. We will discuss library citizenship and responsibilities in library classes, but ultimately it will be the parent’s responsibility. We hope that parents, too, will help to foster the fun of reading by sharing books with their children.

**ACCELERATED READER (AR):** AR is a computer program that helps teachers and librarians manage and monitor children's independent reading practice. Your child picks a book at his or her own level and reads it at his or her own pace. When finished, your child takes a short quiz on the computer. (Passing the quiz is an indication that your child understood what was read.) AR gives children, teachers, and librarians feedback based on the quiz results, which the teacher and librarian then use to help your child set targets and direct ongoing reading practice. The purpose of AR is to provide data to help teachers monitor and personalize reading practice, encourage substantial amounts of practice, and to make practice fun for students by facilitating successful encounters with text. AR is designed to be part of a comprehensive reading program. At New Haven Elementary, all students in grades Kindergarten through six participate in AR.

Based on results from the STAR reading assessment, each student is given an individual point goal to reach each quarter. Students choose books to read according to levels in each student’s Zone of Proximal Development designated by the assessment. Teachers may adjust the levels on an individual basis depending on the individual student’s needs. Points are earned by reading books and taking quizzes.

Goals are based on **30 minutes** of reading practice per day. Although each class has 30 minutes of AR time scheduled into their day at school, students use this time to take AR quizzes, choose new books, meet with their teachers, etc. Therefore, students may need
additional reading time at home to fulfill their goal. We highly encourage regular reading time at home. Please engage students in conversation about their books and enjoy their books with them.

Every student will track his/her individual reading goal in their Leadership Binder. **Please sign the tracking sheet each week, and talk to your child about their goal.** On the tracking sheet you will notice their point goal is being monitored as well as their accuracy. Research shows that the most important factor in accelerating reading growth is good comprehension. Therefore we encourage students to strive for high scores on AR quizzes and maintain an average score of **at least 85%**-with 90% being even better.

If you have any questions about AR, please talk to your child’s teacher. These additional resources are also available:

- **AR Book Finder:** [www.arbookfind.co.uk](http://www.arbookfind.co.uk)
  - Find book levels and point values.
- **Home Connect:** Your child’s teacher can provide you with instructions for logging into Home Connect. You will use the same username and password as your child to access the system.
  - Receive email notifications each time your student(s) complete an AR quiz, monitor progress of goals
- **Parent’s Guides:** [http://www.renaissance.com/resources/parents](http://www.renaissance.com/resources/parents)
  - Parents guides to AR and STAR

**KEYBOARDING:** New Haven Elementary School looks to prepare students for their future. Technology advances rapidly, and students need the ability to manipulate devices with ease. All students will engage in 25 minutes of keyboarding skills class each week.

**CURSIVE:** Learning to write legibly in cursive is a Missouri Learning Standard. At New Haven Elementary cursive instruction begins in second grade and continues in third grade. Teachers in grades four, five and six will provide necessary remediation for cursive formations. Cursive will be required for students in grades 3 through 6 after parent-teacher conferences in October. If an assignment is not completed in cursive when assigned, it must be rewritten in cursive and returned the next day to avoid being considered a late assignment.

**HEALTH PROCEDURES**

Students receive health services in the Elementary School Health Room. A health aide will be on duty to assist students who are ill, administer medication and first aid, check for head lice, and maintain health records.

1. **IMMUNIZATIONS:** Upon enrolling a child in school, the parent or guardian must provide school officials with a medical record showing that all required immunizations are completed or in progress. State law requires that all children attending school be properly immunized against diphtheria, polio, measles, rubella, mumps and Hepatitis B. This is required because unimmunized children have a greater risk of getting these diseases that can lead to serious complications. It is unlawful for any student to attend school unless he has been immunized as required under the rules and regulations of the State Department of Health.

2. **HEAD LICE:** In order to control the spread of head lice at school, students will be checked regularly. If head lice/eggs are discovered on a child, the parent will be notified and the child will be removed from the classroom and from school. (Parents are responsible for making arrangements to have the student picked up from school.) The child should be treated immediately and all nits/eggs should be combed from the hair. The child should return to school the same day or next day following treatment. Upon returning to school, the child will
be re-examined. If eggs are still present, the child will be sent home until the eggs are removed from the hair. Parents/guardians are encouraged to check their child weekly.

Head lice screenings are done:
1. *First week of the new school year*
2. *Periodically throughout the school year*
3. *At the end of each academic school quarter*

3. **FEVER:** If a child has a temperature of 100 degrees or more or shows signs of illness, they should remain at home and be in normal health and fever free for 24 hours (without fever reducing medication) before returning to school. Most contagious childhood diseases begin with cold-like symptoms. A sick child can infect many others. Please immediately contact the school if your child is ill or contracts a contagious illness. This will allow us to take proper precautions for the other students.

4. **MEDICATION FORMS/HEALTH SERVICES:**
   A. School policies require that a signed authorization be provided by parents for the health aide to administer medication and/or provide first aid services. Forms are available in the Health Room and include:
      1. *Name of drug, dosage, and route*
      2. *Specific administration instructions*

      1. Teachers will refer students to the Health Room if cough drops are needed. When a student is seen in the Health Room for a cough or sore throat, the following protocols will be followed:
         a. Temperature is taken.
         b. Warm salt water gargle is administered.
c. If need is determined, a school-provided cough drop will be given. Parents should not bring cough drops to school for students unless a pediatrician has prescribed a specific type.

d. A student will be given up to two cough drops per day, if needed, for up to one week.

e. After that time, the student will be re-evaluated for the necessity of continued use.

f. A note of medical necessity from a family doctor may be needed at this time for further administration of cough drops.

J. Non-Medicated lip balm/chap stick are not considered a medication and is allowed to be used and carried by the student without a physician’s authorization.

With the exception of students in special education programs or those with Section 504 Accommodation Plans, the school district is not obligated to supply or administer medication to children. In order to promote healthy habits and maintain a fair level of wellness, New Haven Elementary permits only snacks of fruits, vegetables, cheese, crackers (plain or cheese) or pretzels. All other snacks (including chips, fruit rolls, fruit snacks, granola bars) should be set aside for parties/celebrations or special occasions. Students will be asked to return any other snack to their backpacks. All snacks are eaten while seated during morning recess.

There are no health/wellness limitations set for classroom celebrations. We *encourage* the idea of “Balance Feels Best”. When planning for a party or classroom celebration, we encourage families to send a healthy snack such as fruits or vegetables to balance sugary treats such as cookies or cupcakes.

New Haven Elementary School has students with nut allergies. We appreciate your cooperation in keeping the health of all students in mind when packing snacks for classroom celebrations. For the safety of our students we ask that all families make an effort to avoid sending peanut butter and nut products to school when sending for the entire class.

INTERNET/COMPUTER/E-MAIL ACCEPTABLE USE POLICY
The New Haven Public School System believes its Internet, Computer, E-mail and other information technology services (“I.T. Services”) offer vast, diverse, and unique resources to its students. Our goal in providing access to these services is to promote educational excellence in schools by facilitating resource sharing, innovation, and communication. Access to the Internet, for example, will enable students to explore thousands of libraries and other sources of information.

While our intent is to make district I.T. Services available to further educational goals and objectives, students may find ways to access other types of non-educational materials as well. Families should be aware, for example, that some material accessible via the Internet may contain items that are illegal, defamatory, inaccurate, or potentially offensive to some people.

We believe that the benefits to students from access to district I.T. Services, in the form of information resources and opportunities for collaboration, exceed any potential disadvantages; but, ultimately, parents and guardians of minors are responsible for setting and conveying the standards that their children should follow when using media and
information sources, in addition to any standards required by the district. To that end, the New Haven Board of Education supports and respects each family’s right to decide whether or not to apply for access.

To gain access to the district’s Internet, Computer and/or E-mail resources, all students must obtain parental permission, agree to abide by the district’s rules as set forth herein.
